CUSTOMER FEEDBACK

How to provide us with your feedback

We believe customer service is something that can always be improved upon and we seek feedback from our customers on our products, people and services to identify opportunities for improvement.

If you have been pleased with the service you have received, please provide us with your feedback. We acknowledge our staff when positive feedback is received regarding their level of customer service.

Alternatively, if you have been dissatisfied with the service or if you have experienced delays in having your queries answered or delays in having your requests approved, then please contact us and we will be happy to assist you.
